

Fall 2016

Dear Parents and Guardians,

I respectfully take this opportunity to introduce myself, my name is Mrs. Luddy Serulle-Green and I am the 9th grade School Counselor at Fort Lee High School. I joined the Fort Lee School District 21 years ago and I take pride knowing I am part of building our kids future, as they become independent lifelong learners. I believe all students learn differently and my desire is to help facilitate a safe learning environment to help students strive to achieve their highest potential.

As School Counselor, my focus is to help students reach their personal best, as well as, provide support to parents, teachers, and our community. I look forward to working with each student and I will make every effort to ensure your child will receive the proper personalized support they need to excel.

Come September, I will work to help students adjust into the high school environment. All incoming students will have individualized and group conferences to acquire proficiencies in our curriculum planning, college and career exploration using Naviance web portal, bullying prevention, as well as, providing individualized academic, emotional, and social development. I will also conduct classroom lessons to provide up to date state testing requirements amongst other related topics.

I want all parents to reach out to me with any questions or concerns about your child. I can be reached by email; lserullegreen@flboe.com or phone at (201) 585-4675 ext. 6514.

As a reminder, our first **Counselor/Parent Breakfast will be held on Friday, September 23rd from 10:00 a.m.- noon** in the High School Media Center. As freshmen, it's important to begin to think about post-secondary plans, and learn about the college planning process and procedures. I encourage you to attend our **Annual College Fair on September 28th from 6:30 p.m.-9:00 p.m. at FLHS**. We'll have over ninety colleges in attendance. Additionally, it will be beneficial for parents and students to attend our **College Planning Night on April 20th beginning at 6:00 pm. in the FLHS Auditorium**. A panel of college admission representatives will answer questions posed by the Guidance Department and attendees.

I look forward to seeing every one of my parents throughout the year and at these very special events.

Thank you!

Mrs. Serulle-Green
